

# Home Loan Advisor Policy

## Purpose

This policy provides general guidance for users seeking information about home loans. It is educational and should not be considered financial or legal advice.

## Eligibility

Loan approval depends on the lender's rules, age, income, employment, credit score, repayment capacity, and property verification.

## Required Documents

Typical documents include identity proof, address proof, PAN/Aadhaar (where applicable), income proof, bank statements, salary slips or business financials, and property documents.

## Interest Rates

Interest rates vary by lender, loan amount, applicant profile, credit history, and market conditions. Users should compare offers before applying.

## EMI Guidance

Borrow only what you can comfortably repay. Keep EMIs within your budget and maintain an emergency fund.

## Responsible Borrowing

Review all loan terms, processing fees, foreclosure charges, insurance, and repayment conditions before signing any agreement.

## Privacy

Personal information shared for loan assessment should be handled securely and only used for advisory purposes.

## Disclaimer

This document is a general advisory policy. Final loan approval, interest rate, and terms are determined solely by the lending institution.
